ONLY  
**6%**

of dentists have earned their  
AGD Fellowship.\*

**I BECAME AN  
AGD  
FELLOW**

because my commitment to  
continuing education goes far  
beyond my educational and  
licensing requirements.

**I HAVE  
DEDICATED  
MYSELF**

to learning, growing and staying  
current in my field so that I can  
provide the best oral care to all  
my patients and their families.

## Leaders Among the Dental Community

For more than 65 years, the Academy of General Dentistry has been a leading organization of general dentists. Now 40,000 members strong, the dedication of AGD members is good news for patients.
